

# SPONSOR A WILD ANIMAL

*We are fighting to save our fantastic wildlife and welcome your support. Snow Leopards are on the brink of extinction and we are in a desperate fight to help them survive.*

*MR CHALISE, Ambassador of Nepal.*

## Do you want to help save these sensational animals from extinction?

*His Excellency, MR CHALISE,  
Ambassador of Nepal.*

*I'm very pleased to be part of the Foundation for Endangered Species Carbon Offsetting Group (FES COG) and fully support their projects. Replanting trees is vital to Nepal, our people, our countryside, our animals and the spirit of our nation. We all benefit from this. If this project succeeds, how can we fail?*

## SNOW LEOPARD

The Snow Leopard is one of the rarest cats in the world. They are hunted for their exotic and luxurious fur which fetches thousands of pounds on the global black markets. In many cases this amount of money is many times a peasant can earn in a week.

Another reason of their decline is because some farmers kill snow leopards which occasionally prey on their animals. Not only do the farmers protect their livestock, they also gain revenge.

We are losing far too many snow leopards, for their numbers are continually declining. Because of these population reductions, and the huge ranges that snow leopards have (in areas such as the Himalayas) successful breeding cannot be guaranteed.

We need to protect the snow leopard from poaching. We also need to create a compensation scheme that will give money to peasant farmers who have lost their livestock to these magical predators.

SPONSOR AN  
ENDANGERED  
LEOPARD FOR  
ONLY £30.00  
per month.

### ***Himalayas***

FES needs to raise awareness of this and other fantastic members of the leopard family. FES are also members of the Partnership for Action Against Wildlife Crime (PAW) where we help try to limit the illegal trade in snow leopards and other rare cats.

The Foundation for Endangered Species (FES) has frequently visited Nepal, one of the countries where the snow leopard lives, and where we aim to increase its range and population. We have also had meetings at the International Union of Conservation and Nature (IUCN) headquarters at Glands, Switzerland, to discuss these problems.

For only £30.00 per month you can sponsor a wild Snow Leopard. Just fill in the form or contact us with the details in the order form.

### **Sponsorship package;-**

Badge; Wildlife Zone Newsletter; Photograph by Andy Mydellton, wildlife photographer worth £15.00; Invitations to special FES and Wildlife Zone events.

Once this beautiful species has become extinct, it will have disappeared for all time. For them and us, there is no second chance.

Join us and be part of our active group of workers, friends and supporters in a charity where everyone is a volunteer.

Do you want to save one of these sensational animals from extinction? If so, sponsor one of our key species and you will be doing exactly that. It is not expensive to do so. You will also know that you are not a bystander, but are pitching in and making a difference.

You can congratulate yourself that the world will be a better place because of your help.

*"I've promoted the causes of these animals at the Houses of Parliament, the EU Parliament, and inside some United Nation's organisations. My work has only just begun as I feel that many animals are staring down the barrel of extinction every day."  
"We can all make a difference!"*
